Life Saving Club Extensions Faulty

The Shire Council are not prepared to make any further payments for the building of the extension to the Life Saving Club Hall until the building is brought up to a satisfactory standard as required by the council. The extensions are at the finished stage but the architect is to be notified council will not accept the building as it stands.

On Saturday, February 9, councillors, with the Architect, Mr. R. Warren, inspected the brick work and other structural details at the Life Savers' Building.

It is understood from the experts that there are faults in the outside construction but even to the laymen the inside feature walls are anything but a 'feature.'

The feature walls are built of a special soft brick of a very regular shape—every brick to be the same size. Household bricks are irregular in size. Unfortunately the builder, instead of rejecting the chipped bricks, had accepted them from the suppliers and used them in building the feature walls.

On inspecting the wall it seems that the edge of every second brick is chipped—that gives the walls a very uneven appearance.

In council's opinion the architect should have more thoroughly supervised the building to make sure his instructions were being carried out.

Council attends Flood Meeting

Last Friday night representatives of the Shire of Altona attended a meeting called by the Mayor of Coburg to discuss the question of State Aid for the recent flood victims.

The Premier, Mr. Bolte, has refused State Aid. Only emergency goods such as food, blankets, household utensils &c., were available.

Cr. H. W. Lee, who represented Altona, said parts of Coburg were flooded more than in this area and he felt State Aid should be available to assist all the flood victims.

It was decided at the meeting that a deputation wait on the Premier, and a representative was elected to the deputation.

The Mayor of Coburg has prepared forms, one of which is to be filled in by each victim giving details of damage suffered and be personally signed by the person concerned. These statements are to be handed by the deputation to the Premier. Cr. Lee suggested Altona should also prepare these forms.

The local Member for Coburg has already made application to the Premier to receive the deputation and a reply is now awaited from the Premier's Department.

THE NEW LOOK

Commencing with the next issue the "Altona Star" will appear with a new aspect, colloquially referred to as "A New Look." There will be more columns and news to the page and a more varied format. The alteration has been made possible by the introduction of new machinery and equipment.

We are confident that all readers and advertisers alike will agree that the new set up is in all ways an improvement.

Last Saturdays Wedding

● Mr. and Mrs. Bruce Ewen are pictured leaving Holy Trinity Church, Williamstown after their marriage last Saturday. The bride is the only daughter of Mr. and Mrs. Musgrave, of Seaholme. (See story on page 3.)

WHY GO TO THE ZOO?

Constable William Orr saw two youths in New Footscray Road, near Victoria Dock, last Monday

The first was swinging from a tree, and the other was laying on his back in a phone booth, pushing the door open and shut.

The first youth jumped from the tree, ran to the phone box and shouted to the second, then ran back to the tree and climbed it again.

When they appeared in the City Court on Tuesday the two youths, William John Rowson, 18, of Railway Street, Seaholme, and Peter Stanley Huggins, 19, of Queen Street, Altona were each fined £2 for offensive behaviour.

They told Mr. Marwick, S.M., that they "got a bit bored waiting for a friend."

Mr. Marwick said, "I suppose people would go to the zoo and pay money for a display like that."

Rotary Club of Altona Receives Charter

The Williamstown Town Hall was the setting for the presentation of the Charter to the recently formed Rotary Club of Altona on Friday night last. Over 300 Rotarians and their wives, and official guests partook of excellent dinner, and entertainment by singers Mr. Leslie Cox and Miss Eunice McGowan, who were accompanied on the piano by Mr. James Gawne.

The Chairman for the evening was Alex Oliver, President of the Rotary Club of Williamstown, who were responsible for the formation of the local club.

Cr. Bond, President of the Altona Shire Council, & the Hon. G. L. Chandler, M.L.C., responded on behalf of all present to the welcome extended to all visitors.

Apologies were read by Charles James, secretary, and the Charter President, Dr. M. Fuqua, was introduced by the Immediate Past District Governor, Roy Nichols, with all members being presented with the Ideals of Rotary.

Charter Members of the club are as follows:—

President: Dr. M. C. Fuqua; Vice-President: Mr. V. P. Grant; Honorary Treasurer: Mr. A. J. Wearne; Honorary Secretary: Mr. C. F. James. Dr. J. H. Leyden.

KINDERGARTEN HAS DIFFICULTIES

Representations have been made to the Shire Secretary (Mr. J. Waters), by the members of the Altona Kindergarten Auxiliary pointing out their difficulties in raising funds for the welfare of the Blyth Street Kindergarten.

Now that the Kindergarten has been established, public appeals and street stalls are not as successful as they used to be.

The present weekly contribution made by the parents of children attending the centre is used for payment of the assistant to the Kindergarten Director and the balance is paid to the council to cover light and cleaning.

As this is supposed to be a free kindergarten, Cr. Ginnifer said council should be responsible for the cost of electricity and cleaning. Council agreed to this and

Messrs. K. W. Millership; J. W. Waters; W. C. Wren; A. F. Blackie; R. L. Bottomley; A. M. Connor; E. R. Forrest; A. E. Gray; R. Harvey; H. C. Kim; K. Kim; J. W. Mann; R. Mellett; K. D. R. Noonan; L. C. Noordenne; P. C. Perry; W. J. Piggott; J. R. Rayner; C. Sarros; W. R. Seamer; and R. C. Simmons.

The evening concluded with a vote of thanks to the Chairman by Dr. Fuqua and all present left the meeting feeling that Altona Club was well worthy of the honor bestowed upon it as recipients of the Rotary Charter.

RATE DEFAULTERS SUMMONSED

Distress Warrants are to be issued to execute Court Orders obtained by the Shire Council against ratepayers who have failed to pay outstanding rates and street construction charges.

At last Tuesday's council meeting Cr. R. J. Cooper pointed out that as old age pensioners manage to pay their way, so should these people be able to.

As Cr. McIntosh said, "How can the council make headway if people do not pay?"

NEW SCOUT GROUP

Mr. Ralph Schutt advises that a new Scout Group will open in Altona North Youth Hall, Marion Street, on Monday, February 18.

EDITORIAL

VALE NELLIE STREET

We are well satisfied that in their wisdom, our civic fathers have agreed that there is nothing sacrosanct about our street names.

Civic Parade now replaces Nellie Street. There is much gained and little lost in the transaction. We, however, do regret the passing of the friendly old name. Our thoughts also are tinged with the irony of the situation. Imagine how Washington Irvine or Charles Dickens could have personified Nellie Street. She, for the most part, would have been in the role of the passive onlooker. Her first impressions would have been the quiet countryside, her knowledge of the sea, by distance limited largely to her imagination. She would have viewed with excitement and anticipation the beginnings of development in the area. But she was constantly frustrated by such progress passing her by to nearer the seaside. She was close to sharing some of the glory of the coal mine—but, such as it was, it was shortlived.

In the fullness of time progress began to come. Buildings were erected. She became a real street. By her side she was exhilarated to see people at sport and children at play. She began to feel she was alive. And then at one time certain strange erections began to take place. Her own, and others, curiosity was satisfied by the notices telling of our new Civic Offices. Her pride was now at the full. The wheel had turned. She, the former ugly duckling, was now the swan. She was at the centre of things. Those who formerly passed her by would now bow to her will.

And then came the blow. Nellie Street died. Nellie Street had lived her life. Civic Parade achieved her fame. Of her demise it may be said that while she went out in no blaze of glory the very gods were in tears at her passing. VALE NELLIE STREET.

Letters TO THE EDITOR

ARE COUNCILLORS IMMUNE TO BY-LAWS?

Dear Sir,

As reported in your paper of February 7, 1963, C. McIntosh raised objections in council re erection of signs and hoardings, particularly Real Estate, as such signs contravene a council By-Law.

Evidently Cr. McIntosh does not appreciate the true value such advertising is to the Shire in general, and every ratepayer must benefit by the rapid develop-

ment these signs are helping to create.

As Cr. McIntosh is an estate agent, it is hoped that he will set an example by removing the largest hoarding in Altona situated on the estate for which he is the Sole Agent.

The writer also does not agree that a specific person be given the power to issue demolition orders, as this is an authority that could be abused by people with inside knowledge of council activities.

J. REDWOOD.

WERRIBEE CENTENARY CELEBRATIONS

Werribee's official Centenary Celebrations will take place during the period March 2-11, 1963. The celebrations are a part of the anniversary of the proclamation which authorised the local residents of Werribee and surrounding areas to form their own local government in 1862. Some minor events have taken place during the Centenary Year and the above period will allow for a concentration of most attractive events designed to provide the utmost in entertainment for ex-residents and visitors who will be returning for the festivities.

The financial objective of the celebrations is for the establishment of an Elderly Citizens' Club. This type of charity needs little commendation as the subject really speaks for itself. There is a dire need for such a club in the rapidly increasing community of the Shire. Every effort is being made to ensure the success of this venture and already many unsolicited donations have been received. Further donations may be made by any interested person and can be forwarded direct to the Secretary, Centenary Celebrations, C/- the Shire Hall.

The Historic Sub-Committee has made some very important discoveries during their investigations and have made excellent progress in reproduction work of inestimable value in recording the past history of the Shire. This Committee, together with the Womens' Association will be exhibiting rare and interesting items throughout the period.

Various outstanding events have been arranged in the overall program and will include mainly—Saturday, March 2 (Preliminary): Scouts and Guides Display. Back to School Fete. Vintage Train 'Y108'. Football Club Re-Union.

Sunday, March 3: Special Church Services. Open Air Mass in Chirnside Park. Methodist Church Re-Union. Basketball Lightning Premiership.

Monday, March 4: Official Opening 11 a.m., followed by a procession. 2 p.m.: Presentation of "Freedom of the Shire" to the Royal Australian Air Force, followed by special "Parade of the Queen's Colours." "Aquatic Festival" in the Olympic size pool. Marching Girls' Contests.

Tuesday, March 5: Organised tours of Werribee. Historic Relics

and Photographic Exhibitions. These commence and continue daily.

Wednesday, March 6: Werribee Race Club—Special "Pioneer Meeting" on the finest course outside the Metropolitan area.

Thursday, March 7: Ladies' Bowling Club full day tournament

Friday, March 8: Combined Primary Schools—Sports in the morning followed by Special Display in afternoon.

Saturday, March 9: Bowling Club Open Pairs Tournament. Swimming Club Carnival. Rifle Club Centenary Shoot. "European Festival," games, singing and dancing on the Oval. Tug-O-War Championships.

Sunday, March 10: Special Centenary Church Services—all Churches. Combined Protestant Churches in Palais Theatre—evening. Soccer demonstrations in the afternoon.

Monday, March 11: Bowling Club Open Fours Tournament. Victorian Highland Pipe Band Championships. Highland Dancing. Werribee Gun Club—Victorian Double Barrel Championship. Wind-up Cabaret Ball.

A number of minor events not scheduled above will also contribute to the week's activities and will include, dances, re-unions both club and family, local sports items &c. Carnival effects will be operating for the full period.

Further information is available from—

WEDDING

The wedding of Carol Musgrave and Bruce Ewen was celebrated at Holy Trinity Church, W'town, on February 9.

Carol is the only daughter of Mr. and Mrs. Musgrave, Cambridge Street, Seaholme, and Bruce is one of the four sons of Mr. and Mrs. Ewen, Acacia Avenue, Seaholme.

The bride wore a white satin gown trimmed with guipure lace and hand made roses on the very full skirt and apron front. She carried gardenias.

Matron of Honour was Mrs. Maureen Musgrave, sister-in-law of the bride, and the Flower Girl was the bride's cousin, Dawn Marsh. They wore frocks in three shades of golden bronze satin and organza, carried yellow roses and all wore tiaras.

The bridegroom was attended by his three brothers, Garry, Geoff, and Russell.

The mother of the bride wore a navy blue pure silk frock with white accessories.

The mother of the bridegroom wore white lace over green satin with white and green accessories.

At the conclusion of the service members of the Altona Hockey Club formed an impressive Guard of Honour at the entrance to the Church.

After the ceremony Mr. and Mrs. Musgrave welcomed approximately 150 guests to the breakfast and reception held in the Altona Youth Club Hall.

SOCCER CLUB PROPOSALS

After discussions with representatives of the George Cross Soccer Club the Parks and Fore-shore Committee of the Shire Council suggested that Kim Reserve could be made available to the Soccer Club on a 21 year lease at rentals to be determined.

Various proposals were discussed and the Soccer Club will discuss the matter at a general meeting and report back to the committee.

The Club, which operates for about 48 weeks of the year, with summer and winter competitions, will require more or less exclusive use of the reserve which it would have to develop itself, but the club would permit schools to use a portion of the reserve.

Proposal at this stage is a nominal rental with a guaranteed income from at least one charity match per year—charity match takings to go towards the Altona Community Chest.

TATTS COMES TO ALTONA

Mrs. Dulcie Saunders, of Blyth Street, has hit the jack-pot. Last Tuesday in Tattersall's £10,000 Consolation, Mrs. Saunders won the major prize. The ticket was called "New Car."

The ambition of Mrs. Saunders' daughter, Robyn, who is a student at Altona High School, is to attend the University and study to be a doctor. It now looks as though Robyn will succeed.

Until June of last year, Mrs. Saunders worked part-time in Mr. R. Harvey's shoe store. Mrs. Harvey pulled off second prize a few years ago. Maybe there's a lucky omen in working in the shoe store?

A TURF

A.N.A., with a brilliant 79 by Gary Mildern and a sound 58 by Ian Eldridge, made 213, their highest score for the season.

In his 79, Mildern hit 11 fours and 2 sixes to give him the best senior score for A.N.A. for the season. Ernie Peel of the Imps took 3/24 and was the best of the eight bowlers tried.

With 40 minutes of play left, Altona captured three wickets for the cost of 15 runs, Terry Gray taking 2/7.

YACHTING NOTES

In the Miscellaneous Class section Ray Marion, sailing "Telstar," defeated "Tiki," sailed by Kathy Bradley. Although this is Ray's first season of competitive sailing he is more than holding his own with the other yachts in this class.

In the Hornet Class "Jet" (T. Jones and Coral Jones), proved superior to the rest of the fleet,

leading the second and third boats to the line by nearly six minutes. However, the battle for second place resulted in an exciting finish when "Thene" (John Bartlett and "Alstair Pirie) crossed the line a few seconds ahead of "Gtnesta" (John Andress and Sandra Korfi).

Placings across the line: 1: Jet, 2: Athene, 3: Genesta.

Placings on corrected times: 1: Jet, 2: Genesta, 3: Athene.

Members are reminded that the February general meeting will be held on Friday, February 22, in the clubrooms.

BOWLING NOTES

The pennant position is in a very interesting stage with regards to the first team. The No. 1 Team were again victorious and the leaders of the section were well beaten. Altona is only one point behind the section leaders with three matches to go and Altona will meet the leaders, Glenroy, in the last match.

Saturday's results are as follows: No. 1 Team 109, defeated Buckley Park 71.

Roach, Flynn, I. Douglas, and Monkhouse: 26-21.

Russell, McMahan, Stephens, and Cunningham: 33-11.

R. Don, Whyte, Deegan, and Malloy: 18-21.

Walsh, Probert, McNeilage, and Fisher: 32-18.

No. 2 Team 89, defeated Coburg 47.

Siphthorpe, Eyre, Burke, and McDonald: 39-13.

Murphy, Newton, L. Cox, and Watson: 18-18.

Mitchell, McMinn, Richardson, and Bush: 32-16.

No. 3 Team 62, were defeated by Newport 78.

Clarke, F. Douglas, Grant and Hill: 13-24.

J. Cox, Shaw, Neal, and Smith: 30-19.

Snowden, Johnson, Wearne, and Inglis: 19-35.

SATURDAY'S GAMES

No. 1 Team will play Carlton at Carlton. No. 2 Team are to play Middle Park at Altona, and No. 3 Team will meet Buckley Park, also at Altona.

The rain last Sunday has again made the No. 1 green very soft and it is hoped that a spell of good weather will allow good bowling for the last three matches of the year.

As all club games are behind schedule, members are asked to play as soon as an opportunity arrives and the green is suitable.

No Flashing Lights at Galvin Crossing

After a further inspection, the Level Crossing Committee consider the provision of flashing lights is not warranted at the Galvin Level Crossing, said the Secretary for Railways in his report to council. This view is shared by a representative of the Royal Automobile Club of Victoria, who accompanied the Committee on its inspection.

The Committee reported that the crossing is clearly indicated with reflectorized crossing signs, in addition to which the standard type advance warning sign is erected at the approach to the crossing.

Notwithstanding recent development which has now occurred on the northern side of the line, unobstructed views of trains are still obtainable by roadusers approaching from that side, whilst on the southern side of the line the views are generally good.

The Committee has made arrangements to remove several trees growing on railway property in the vicinity of the south side of the crossing and to repaint the wing fences to render them more distinguishable to roadusers.

Cr. Hearn said it appears that a person has to be killed before safety measures are taken. He was surprised that the R.A.C.V. who do a marvellous job, would be brought in with the Victorian Railways to give this decision.

At night time it took Cr. Hearn all his time, with the P.R.A. lights in the background, to see if a train was coming. He said if you know the crossing you have a chance but a wig wag signal, such as at the Millers Road crossing, was necessary here.

Unfortunately, before lights were installed at the Millers Road crossing there were eight fatalities and as Cr. Ginnifer remarked this almost seems to be a prerequisite before a wig wag signal is installed.

The Committee was not asked down out of idle curiosity and there are "none so blind as those who do not wish to see" said Cr. Lee.

Cr. Lee's suggestions that council enlist the co-operation of the local Member of Parliament and that council persist in their efforts to have a wig wag signal installed was readily agreed to by the other councillors.

THEY CHOSE A NURSING CAREER

There are a large number of girls who have recently left school and are at present deciding upon the careers they will follow. Among the many vocations available to girls these days, few as satisfying or as character building as nursing.

We are fortunate in this district to have a training school for nurses which, in the few years of its existence, has earned an enviable reputation in the profession.

The standard of nursing in the Footscray and District Hospital is very high indeed as evidenced by the fact that girls come from all over the State to train there, and the Hospital is selective in choosing trainees. Matron Mitchell who insists on a high standard of general education, prior to the acceptance of a girl for training believes that this is one of the facts which has helped to build the Hospital's reputation.

This month there has been a particularly heavy intake of the trainees, some 21 girls being selected for training.

YOUTH CLUB NOTES

The club re-opens officially on Friday, February 18, and members of all sections as well as leaders are urged to come along and join in for 1963.

The program as detailed in an advertisement in this paper is to be conducted until more space is made available by the new extensions, which is hoped will be soon under way.

Method of membership has been altered for this year and the fees are as follows—

Junior Boys and Girls (under 15): 7/6 per quarter.

Senior Boys and Girls (15 and over): 15/- per quarter.

Family Unit (two or more children): 15/- per quarter.

These fees are payable February, April, July and October. A receipt will be issued and the members' name entered on the official roll. A membership ticket will be issued at a later date.

HELPFUL HARRY SAYS

• A common fault in jack planes and smoothing planes is for small shavings and chips to be caught between the blade and the back iron. Cure is to lightly file the underside of the back iron so that it fits tightly against the blade.

• Pipe cleaners are excellent for cleaning fine filigree work on jewellery. Dirt is loosened quickly if you dip the cleaner in soapsuds or detergent solution.

• Chloride of lime is a good deodoriser for outside drains. Sprinkle around the inside of the drain, leave for a short time, then flush well with hot water.

HOSPITAL HELPER'S RAFFLE

Footscray and District Hospital Helpers' Organisation have undertaken the sponsorship of a new Casualty Theatre Block, which is to be built at the Hospital this year.

The Block will cost £10,000 of which the organisation has already raised £6,000.

To help raise the balance they are conducting a raffle on a Holden Special car valued at £1138 including registration and insurance. Ticket selling has commenced and will continue until March 31.

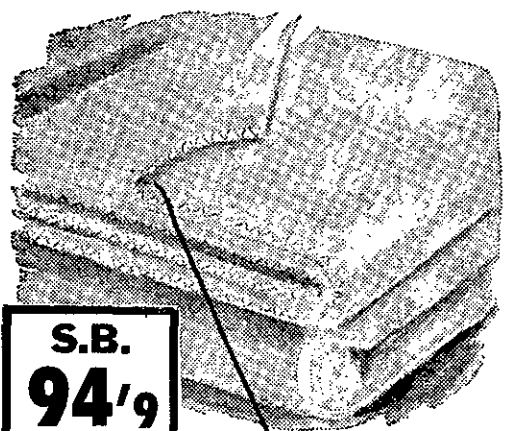

Anyone who wishes to assist in the sale of tickets is urged to contact the Hospital's Public Relations Officer, Phone 317-0211 Ext. 244.

Shots Fired in Nth. Altona

John Michael Patoni, 17 years, of Fifth Avenue, Altona North, was charged that on November 18, 1962, he did discharge a firearm within a town, to wit, Altona North, without the permission of the local authority. He pleaded guilty.

First Constable D. Studley said at 11.30 p.m. on November 29, he went to 15 Sixth Avenue, Altona North, and interviewed the occupant. He was shown two bullet holes through the windows of his home. One went through the bedroom and into an inner wall, the other entered the lounge room and into a crystal cabinet, breaking several articles within.

He interviewed the defendant at his home in Fifth Avenue and found 15 Sixth Avenue was directly opposite the yard. Patoni told him he had a couple of shots from his mate's rifle to test the sights. He did not have permission to fire it.

Patoni showed First Constable Studley where he had fired the rifle and several spent .22 shells. There was a 4" x 4" block of red gum in front of an old cast-iron copper and behind it the paling fence was pierced with bullets immediately in front of the house that sustained the damage. The defendant said he had fired approximately four shots and said if the windows were broken he

must have done it.

Patoni told the Court he had fixed the house and paid for the damage.

Mr. E. B. Walsh S.M., told Patoni he must flatter himself as a rifle shot firing at a 4" x 4" target from 150 yards. It was a dangerous practice to say the least of it, one that may well have had more serious results than that. He fined him £10 in default 10 days imprisonment.

NEW HOCKEY FIELDS

A four-field project has been planned for hockey facilities on the Grant Reserve. The council have decided there will be two hockey fields to the north of the Depot on part of the present tip site.

As the tip site cannot be developed as yet immediate plans are being made for three fields to the east of the Youth Club Hall and that for the time being, Ransom Reserve on the Esplanade be utilised for a fourth field.

A fence is to be erected northerly from the Youth Club Hall towards the tip to prevent cars visiting the tip crossing the playing fields on Grant Reserve.

Jetty Wanted?

Cr. W. G. Cresser has drawn council's attention to the plight of boat-owners in the Altona area.

There are approximately 140 boats anchored at Seaholme and half as many at the end of Maldstone Street. From time to time considerable damage has been caused to these boats and at low tide it is extremely difficult to get in and out of the water.

Due to the wide distance between high and low tides, a boat ramp is not practical. Therefore, Cr. Cresser suggested a Shire Engineer apply to the appropriate authority for a suitable type jetty to be erected at Seaholme.

In supporting this suggestion Cr. S. McIntosh said as the boat-owners have to pay a fee of £5 upwards they should receive something in return.

Council agreed the application should be made.

Letters TO THE EDITOR

Fifty Years Ago in Altona

By. A. O'HARA.

I was employed as an engine driver at the Altona Brown Coal Colliery for about six years, starting there about 1912. At that time there were only three houses at Altona; Luscome's, Rayner's and Spriggs'.

The railway went up to the mine, which was about a mile from the present railway station. The Altona company owned the railway until it was taken over by the Victorian Railways later on.

The mine consisted of a Babcock boiler, a first-motion winding engine, a pumping engine, and an electric light engine. The shaft was about 300 feet deep, and there was very little water, which was near the surface, but was allowed to go to the bottom of the shaft to circulate the air. This was the only ventilation they had.

There were only three men working below; two miners and a trucker. They had no market for the coal, and were sending a few trucks away to different firms for testing. It was good as a fertiliser. When the railway trucks were swept out there was some wheat in the trucks, and it went under the screens where the coal dust accumulated. After it rained, the wheat started to grow, so the engineer sent some dust away to be tested, which showed it to be nearly as good as blood manure.

I have used Morwell brown coal, and in my opinion it is not as good as Altona, because Morwell coal is an open cut and when it is exposed to the air it crumbles away and releases the occluded gas.

The coal seam was 75 feet thick at the mine, while further down towards Laverton it is 150 thick. We used to clean the flue at the base of the chimney and get a barrow of sulphur out of it.

I lived at Newport and used to bike to the mine. Twice in one year (about 1916), Port Phillip Bay covered all the land to the Geelong line. I had to walk along the railway line until opposite the mine on high ground; and then the water was only two feet from the shaft.

The mine closed down shortly after the first world war ended.

TO THE CITIZENS OF ALTONA

I would like to point out to you that your council is doing everything possible as regards the recent flooding of your area.

We will leave no stone unturned to make the bodies responsible provide adequate drainage for the area as a whole.

Mr. Bolte has blatantly refused to give assistance to the people concerned, it shows what an arrogant attitude he has toward the working class of people. He was very smart in seeking assistance for the bush-fire victims because they were voters for his class.

State Aid should be made available because the State was at fault in not providing sufficient money to the responsible body to construct the necessary draining facilities.

Mr. Bolte has said "it can't be done," I say "It can be done" and must be done at once, not later.

Mr. Bolte was very quick in finding the necessary cash to purchase an expensive Rolls-Royce car. Money that could be set aside to help the victims of this disastrous flood.

I say "disastrous" because it was a disaster that could have been avoided if the money had been available for better drainage.

This Shire is progressing rapidly but unless we obtain better drainage your Shire will go backwards, not forwards.

The council is using every avenue open to it to obtain the promised drainage and recompense for the losses incurred.

A. W. BOND,
Shire President.

TRANSPORT INQUIRY

Very few applicants have been made for an appointment with the Parliamentary Public Works Committee to give evidence on February 20 regarding the proposed extension of the Altona Railway line.

Cr. Lee pointed out to the council that the members of the Committee who visited Altona on February 6 seemed favourably impressed with the need for an extension of the line and now we must consolidate our position as this last chance to give evidence.

Arrangements for an appointment for any citizen or organization willing to give evidence can be made by contacting the Shire Secretary, Mr. J. Waters.

CHLORIDE OF LIME TO BE ISSUED IN FLOOD AREA

When the Health Department agreed with the Health Officer's recommendation that Chloride of Lime should be used as a precautionary measure in the area affected by the recent flood waters 150 jars of it were distributed to householders along with an instruction sheet on how to use it.

Several ratepayers have since called at the Shire Office and commented on the efficiency of the substance in "cleaning up" after the flood.

One of the victims, Cr. McIntosh, said he found it very effective.

MILLERS ROAD TRAFFIC OFFENCES

At Williamstown Court yesterday five motorists were fined various sums for traffic offences in Millers Road.

Francis James Cox, of Nepean Highway, Cheltenham, was fined £5 for doing 60 mph in Millers Road, Altona North, on November 22, 1962, and £1/10/- for failing to stop at the flashing red light at Kororoit Creek Road.

Werner Lange, of Canning St., Avondale Heights, was fined £12 for doing 55 mph in a 30 mph zone in Millers Road, Altona North, on November 9, 1962.

Alan Douglas Osborne, of Yarra Street, Newport, was fined £7 for driving a car that was not registered in Millers Road, Altona North, on October 14, 1962.

Frank Marchetti, of Drummond Street, Chadstone, was fined £7 for leaving a semi-trailer parked within six feet of a pedestrian crossing in Millers Road, on November 22, 1962, and £2/10/- for leaving the engine of the truck running while nobody was in it.

Leslie Robert King, of Bracken Grove, Altona, was fined £5 for doing 45 mph in Millers Road, and £2 for failing to stop at the flashing red light at Kororoit Creek Road, on November 21, 1962.

NO LICENCE

Edwin Davies, of the Brooklyn Migrant Hostel was charged that on September 20, 1962, he did drive whilst not licensed, that he did enter and pass through an intersection at such a speed as to be unable to stop to avoid an accident. Also, that where there was danger of a collision with a vehicle on his right he did fail to yield right of way to such vehicle.

Nick Drik, of Huxtable Avenue, Altona North, said at 6.15 p.m. on September 20 he was walking along the gravel side of Millers Road. About 10 yards for Blackshaws Road a car came out of there and hit him, landing him in a ditch.

Vladimiro Cressy, of Harrington Street, Altona, motor mechanic, said he was driving south in Millers Road, and when he reached Blackshaws Road he saw a car coming in on his left. He thought it would stop but it continued on and they collided. Both cars finished in a drain on the other side of the road. The driver of the other car was thrown out and finished under his own car in the drain.

Constable Langston said he interviewed Davies on October 23 and Davies told him he had stopped at Millers Road, prior to making a right-hand turn. He did not remember anything after that. He did not have a licence but was practising on one, his licence had expired in October,

NO NUMBER PLATES

Dimitrios Kardakaris, of Buckley Avenue, North Sunshine, was fined £1 for failing to have a number plate on the front of his car in Millers Road, Brooklyn, and £1/10/- for failing to have a number plate in the rear.

LICENCE SUSPENDED

Carmelo Cutajar, of Ormond Avenue, Brooklyn, was fined £3 for failing to dip his headlights when passing an oncoming car on October 5, 1962, £25 for exceeding 40 mph in Kororoit Creek Road, and his licence was suspended for two months. He was also fined £10 for failing to have his windscreen clear.

First Constable K. Maynard said Cutajar was doing 75-80 mph in Kororoit Creek Road and failed to dip his headlights. He was demonstrating the car to a prospective buyer and was talking at the time. The windscreen was two-thirds covered by red paint, leaving only a small clear piece for the driver to see through.

1961.

Mr. L. Smith, S.M., said the excessive speed through the intersection was dismissed as Davies never went through it at all. From the evidence Davies was the last on the intersection and should have given way to the vehicle on his right. He was fined £8, and £3 for driving without being licensed.

Obituary

John Richard Crowle was born at California Gully, Bendigo, on July 31, 1919, the youngest member of a Methodist family of five sisters and one brother, whose mother died when Jack was very young and whose father was the choir master of the California Gully Methodist Church for many years.

During 1940 he enlisted in the Armed Forces A.I.F. 38th (Bendigo) Battalion and served in Northern Australia, returning to Bendigo district for a further period of three years at the end of the war.

After a total residence in Bendigo of 29 years Jack moved to Melbourne and was married at Yarraville to Aileen Margaret Wolfe on March 26, 1949, and lived and worked in Footscray for some two years during which time God gave the couple their first child, Joyleen Margaret, on February 27, 1950.

During 1951 Jack and Aileen moved to 28 Bracken Grove, Altona, where they have resided for the past 12 years and where Helen Barbara (Aug. 28, 1951) and Lynden John (Sept. 25, 1960) were born.

Since 1958 Jack has been employed by J. Wright & Sons as a senior woodmachinist, in which capacity he has served with credit, gaining the respect of his employers and workmates because of the high standard of his work and his position as union shop steward and representative.

He was also active as a member of the company's social club, as well as being a member of the I.N.F. Football Club.

New Sunday School

This coming Sunday (Feb. 17), will see the commencement of the Church of England Sunday School at North Altona. Together with the Service of Holy Communion, commencing at 11 a.m., at the Brooklyn West State School, corner of Blackshaws Road and Misten Avenue, Altona North, Sunday School for all ages will be held.

All Anglican parents are invited to attend and enrol their children. Both the adult worship and the Sunday School begin and finish at the same time in order to enable the whole family to worship together.

Archbishop Robert Dann and Captain John Corby, who are responsible for this new venture, hope that all Anglican parents will share with the Church of England in this new step forward in the ministry and the worship of the Church in North Altona.

On Sunday, February 24, there will be a service of Morning Prayer and administration of the Sacrament of Holy Baptism. Any parents wishing their children to be baptised may contact Captain Corby at 14 Edward Avenue, Nth. Altona, before this date, or ring Archdeacon Dann at 63-3798 (day), 39-1074 (night).

A quiet person, he was devoted to his family, anxious to do the best for them, a good husband, father and neighbour. He will be missed by all who have known him.

WILLIAMSTOWN LIONS CLUB LARGE PROJECT ON HAND

The Williamstown Lions Club is at present working on a big Project and all present indications are that this will be the biggest one they have yet worked on.

YOUTH CENTRE FLOAT PARADE

The Lions have accepted as a project the Williamstown Youth Centre Parade of Floats this year and will stage this on Sunday, March 10, commencing at 2.15 pm in Melbourne Road and will travel down Ferguson Street, Nelson Place, Cole Street, Morris Street, to the Football Ground. At the conclusion of the Parade an interesting entertainment has been arranged from 3 till 4.30 p.m. There will be exhibitions by the Marching Girls, Model Aircraft, Obedience Dogs and many other items. The Parade this year promises to be the biggest yet held and a large crowd is expected to witness the many attractive floats.

The organisers invite any local entrants to submit entries in the Parade, and special prizes will be awarded for floats entered from Williamstown, Footscray, Sunshine, Altona, or surrounding areas. Intending entrants should contact the organiser, R. McAdam by phoning 65-1022, who will be pleased to forward all details.

MISS WILLIAMSTOWN QUEST

In conjunction with the Parade of Floats, the Lions are also organising a Miss Williamstown Quest and entries are invited from girls who are permanent residents in Victoria, and between the ages of 16 and 25 years.

There are two sections of the quest. A two-week holiday for two to Tasmania will be awarded to the girl who is selected as Miss Williamstown, and other valuable prizes will be awarded to the girl who raises the most money for the Williamstown Youth Centre. The full prize lists will be published in this paper as they come to hand.

Intending entrants in the Miss Williamstown Quest are eligible for judging when they have raised the sum of £50 for the Williamstown Youth Centre. The Quest has now opened and will close at 3 p.m. on Saturday, June 1.

Judging will take place on Saturday, June 8, and the crowning ceremony will take place in the Williamstown Town Hall, at a Cabaret Ball on Friday, June 21, 1963. Entry forms can be obtained by phoning 65-1022, 65-2023, or 65-5658.

MELBOURNE CHORAL GROUP

The Melbourne Choral Group is a mixed choir off the dull, beaten track. It aims to use the voice as a musical instrument in its own right and therefore performs mainly unaccompanied. The Group specialises in folk and art songs of all nations. New Australians are very welcome provided they speak English.

Suitable recruits with acceptable voices are assured of an interesting series of public performances.

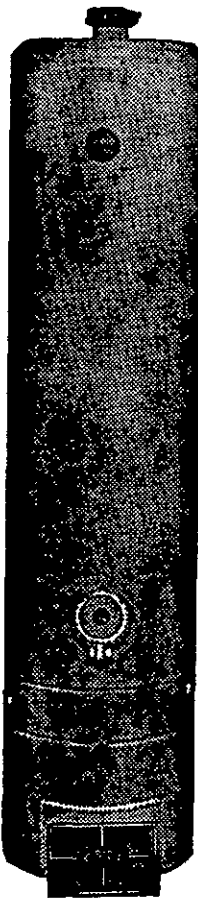

Rehearsal is on Monday evenings in the Group's own quaint building at Parkville, near the University. Tenors and basses are particularly wanted. Inquiries for auditions should be directed to Mrs. R. J. Wilson, Honorary Secretary, 12 Calvin Crescent, East Doncaster, Phone 84-9550.

SWEET SUMMER DRESSINGS

PREPARED BY MARY BLAKE,
HOME ECONOMIST.

Fruit salad and ice cream are two very popular summer desserts and this week I am suggesting three unusual new sauces, which though simple, provide new flavour interest.

Why not try a sauce with your fruit salad? My suggestion is a creamy fruit dressing which is rich and delicious, and can make even a simple fruit salad a party piece.

You should get one cup of pineapple juice from a tin of pineapple pieces or rings, and then you can chop the pineapple into the salad, or decorate each individual serve.

When adding apple or banana to fresh or canned fruit salad, try sprinkling the pieces with lemon juice; this will prevent them turning brown.

The orange butter sauce is one which is useful in both summer and winter. It is equally delicious on ice cream, steamed pudding, or waffles, and with the vitamin content in the orange juice, is quite nutritious.

There are several recipes for caramel sauce, but this one is my favourite. It can literally be prepared in three minutes, and is ideal to dress up plain ice cream in a hurry.

CREAMY FRUIT DRESSING

(Makes about 1½ cups)

- 3 tablespoons melted butter
- 3 tablespoons flour

- 1 cup sugar
- 1 teaspoon salt
- 1 cup pineapple juice
- 1 cup undiluted evaporated milk, chilled
- 3 tablespoons lemon juice

Combine butter, flour, sugar and salt in saucepan over low heat or in double boiler over hot water. Blend until smooth. Gradually add pineapple juice, stirring constantly until thickened (six to 10 minutes). Cool.

Whip evaporated milk until stiff (about one minute). Add lemon juice and whip very stiff (about two minutes longer). Slowly add cooled pineapple mixture and continue beating until blended. Serve on fruit salad.

ORANGE BUTTER SAUCE

- 1 cup sugar
- 2 tablespoons cornflour
- 1 teaspoon salt
- 1 cup water
- 2 tablespoons butter
- 1 can frozen orange concentrate

Combine sugar, cornflour, and salt. Stir in water and butter. Cook, stirring constantly until mixture thickens and comes to the boil. Remove from heat, stir in undiluted concentrate. Serve over ice cream or steamed pudding or waffles.

CARAMEL SAUCE

- 1 cup brown sugar
- 1 cup undiluted evaporated milk
- 1 teaspoon butter

Combine ingredients and cook for three minutes in double saucepan. Serve hot or cold on puddings or ice cream.

GUIDES AND BROWNIES

To commemorate "Thinking Day" the birthdays of the founders of the Girl Guides and Scout movements, Lord and Lady Baden Powell, who were born on February 22, 1857, a Church Parade will be held at the Methodist Church, Seves Street, on Sunday, February 17, at 7 p.m.

Brownies, Guides, and Guiders will fall in at 6.55 p.m. Parents may attend also.

The 1st Altona Company Guides are to be at Altona Station on Monday night, February 18, at

5.45 p.m. They are to take their bathers and towels and will arrive home at 9.30 p.m.

ST. EANSWYTHE'S CHURCH OF ENGLAND

The Sacrament of Confirmation will be administered at St. Eanswythe's this year by Bishop Sambell, Bishop Co-adjutor of Melbourne, on Tuesday, May 7.

Preparation classes for juniors will commence at the Church next Tuesday afternoon, February 19, at 4.45 p.m., and for adults on Friday evening, March 8.

WEST NEWPORT BASEBALL CLUB

This Sunday West Newport will meet Port Melbourne in their final game of the season of the Summer Baseball. Coach Len Fraser is hoping for a win to end what has proved to be a very good season for the team.

The improvement the team has shown against much more experienced players will go well for the winter season commencing in April.

ANNUAL MEETING OF WINTER CLUB

The annual meeting of the West Newport Baseball Club will be held at the Loft Reserve Pavillion on Thursday, February 14, 1963, commencing at 8 p.m. Loft Reserve is off Maddox Road, West Newport, and all intending members and old members are cordially invited to attend.

The annual report released today shows that the club is in good stead financially.

The decision by the executive committee at the beginning of last season to appoint a coach for the senior team proved a winner. Mr. Len Fraser, who has had an association of more than 30 years with baseball was unanimously appointed to this position and successfully coached the side to a place in the finals.

The Juniors finished the season being runners-up to their old rivals Williamstown, who turned the tables this year.

Mr. George Edwards, who has occupied the chair and attended every meeting of the Executive Committee, has done an excellent job as President.

Last year was the club's second year in Senior Baseball and its fourth in Junior Baseball, and in that time they have been premiers once and in the finals on two other occasions.

The prospects for 1963 are very bright because with the experience gained last year under a very capable leader plus the experience several of the players are currently gaining in playing summer baseball they should have an even better season and perhaps carry off a premiership.

TABLE TENNIS NOTES

In A Grade matches last week, Sunshine (Slawitschka, Landherr, Bradie) lost an interesting match to Altona (Wylie, Walker, Sroka) 3/8. While there were numerous hard hitting and close tussles, the all round ability of Alby Walker was a decisive influence on the result.

In other matches Seagulls lost by the narrowest of margins to Australian Glass Manufacturers. Albright & Wilson were no match for Maidstone and lost 1/10.

B Grade also featured some close strenuous results: Bodingtons defeated AGM 6/5, and Footscray accounted for Warren & Brown, also 6/5; Automotice Components won from Altona Petrochemicals 7/4; Bulldogs defeated Albright & Wilson 9/2; Kingsville defeated AGM 8/3, and Ramblers lost to Vic. Wool 0/11.

WINTER PENNANT

During this week entry forms for the main event of the year, the winter competition, will be forwarded to all clubs and to prospective clubs and players.

While March 8 is the closing date for return of entries, it is wise for secretaries to select the players and teams as early as possible. Unattached players are invited to join one of the clubs operating from the Table Tennis Centre, Garden Street, W'town, (65-6863) or, from data available at the Centre they may link up with clubs in their area.

LOCAL LABOR

"PUBLIC OPINION"

Frequently we read statements regarding Public Opinion in the various newspapers, but, we may ask ourselves, "What exactly is Public Opinion?" In the political field Public Opinion is the only thing that makes a Government sit up, take notice, and really serve the people as they are sworn to do.

For an example take the recent attempt to amend the Workers Compensation Act. This unscrupulous piece of Legislation was withdrawn because of the immense pressure of Public Opinion exerted upon the Bolte Government. This is not the only instance where Public Opinion has forcefully influenced Governments.

The amendments to the Commonwealth Crimes Act were an example. Even though the Menzies Government forced the Bill through, it has been fear of the reaction of Public Opinion against them, that has prevented the implementation of some of the more sinister of the clauses contained in the Act. If Public Opinion counted for nothing, there would have been a wave of McCarthyism throughout Australia.

The Menzies Government hoped to use the "Petrov Affair" to prepare the Australian people for such an attack upon their rights, so to the more recent "Skrupov affair," to quote Mr. Allan Frazer (A.L.P., N.S.W.), "The Government and its supporters are using all propagandist tricks to whip up a Hate-Russia, Red-baiting atmosphere to strengthen the grip of the Secret Police over the ordinary people to frighten all Government critics, to smear Opposition Members who dare speak out, and to spring an election if the right atmosphere can be created."

From the boycott of the Menzies Government's National Register in 1939 to the Crimes Act of more recent times it has been Public Opinion that has made or broken Governments.

As the Former Labor Prime Minister, Mr. Ben Chifley, said, "An informed Public Opinion is the greatest weapon the working class can have."

It is for every person to acquaint himself with the true position of all political and economic question at all times, and if the evidence does not add up to the stated case, to protest loudly and vigorously until the position is rectified.

A period of four (4) weeks between 1st and 2nd injection and a minimum period of seven (7) months to elapse between the 2nd and 3rd injection.

All adults not previously immunized and who have not completed the full course of treatment, are advised to avail themselves of this opportunity.

FALSE SENSE OF SECURITY—says Cr. Ginifer.

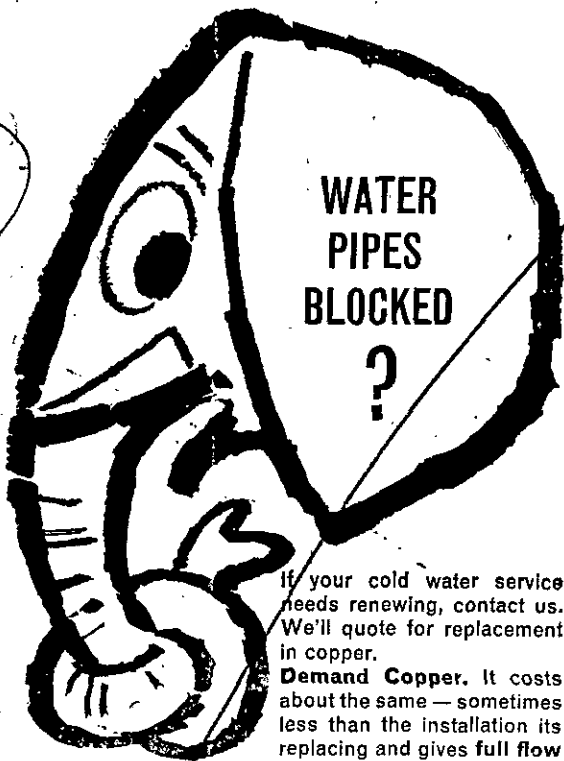

The flashing amber pedestrian crossing that has been erected in Blackshaws Road near the Begonia Avenue shopping centre, is giving school children a false sense of security, Cr. Ginifer told councillors at last Tuesday's meeting.

Cr. Ginifer said the crossing was not being observed by the traffic. There have been many "near misses." Children are prone to accept the safety of a crossing but this one is dangerous and hazardous. Cr. Ginifer pointed out that there is "no physical protection, only the protection of the law."

Council adopted the suggestion by Cr. Ginifer that a letter be written to Kingsville Police Station pointing out the problem and another letter to Police Headquarters requesting that mobile patrols be asked to keep an eye on this crossing.

SHIRE OF ALTONA

LOAN No. 32—£50,000.
Special Order to be Made.

Notice is hereby given that at a meeting on 29/1/1963 the Council resolved—

"THAT the Council make a special order to borrow the sum of £50,000 from the Local Authorities Superannuation Board upon the credit of the Municipal Revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act 1958.

1. The maximum rate of interest that may be paid is £5/10/- per cent per annum.
2. The purpose for which the loan is to be applied is—
(a) part cost of construction of Civic Offices, Altona—£40,000; and
(b) part cost of construction of Depot Building, Altona—£10,000.
3. The period of the loan shall be forty (40) days.
4. The moneys borrowed shall be repayable by providing out of the municipal fund approximately £467 Bs. 4d. annually for forty (40) years, to be invested in accordance with the said Act to form a sinking fund, and interest to be paid half yearly during the currency of the loan. The first payment shall be on the 1st day of October, 1963.
5. The period of the loan shall be forty (40) years, and each moneys shall be repayable at the Office of the Local Authorities Superannuation Board, 'Rigby House,' 15 Queens Rd., Melbourne, or at such other place or places as the Board may from time to time require.

and further that confirmation of this order be made an Order of The Day for the Council Meeting to be held on 26th February, 1963."

JAMES W. WATERS,
Shire Secretary.
